15. RELATIVE TO CAREER INTERESTS OF EMPLOYEE

has performed the function of Division Map Editor for many years. He is very well suited for this type of assignment and should continue in it as long as his interest is maintained.

16. RELATIVE TO TRAINING FOR EMPLOYEE

The limited but widespread language requirements of the editing position can be improved by self-instruction. The P.I. Industrial course would be of special value only if he were to use photos in his editing function.
